### BELGRADE CITY BREAK

'Come to a city where you will feel at home.' Belgrade is now firmly back where it belongs, at the heart of Europe. Fortunately, the sole evidence now of its many conquerors and former despots is in its architecture. Name a style from the 17th century or from the 20th century, and it will be there.

**Why?** Because Belgrade offers you the chance to explore a battered but spirited Balkan capital, where modern nightlife and busy shopping malls combine with a fascinating history to ensure there is never a dull moment for visitors.

**When?** Whenever you decide, Belgrade will be ready for. You just have to be ready for Belgrade. Specific night lifestyle is something that makes Belgrade East Europe clubbing capital. In spring everything is blooming in Belgrade. In summer you can experience Belgrade life on two rivers and one lake. In autumn, when everybody is back from summer vacations, club life is heating up. There are no better parties in this part of the world for the New Year holidays, than in Belgrade.

**Who?** A holiday in Belgrade will suit those seeking a city break with a difference. Those who choose to travel to Belgrade are generally seeking more than just shopping and sightseeing, but wish to soak up the soul of this city, which has endured so much and emerged with a welcoming smile.
